

AUCTION HURDLE RACE QUALIFICATIONS

The definition of an Auction Hurdle race is "a hurdle race restricted to horses which have been sold or bought in by public auction under the hammer at a recognised National Hunt Store sale in Ireland or Great Britain as an unraced three or four-year-old".

(For the avoidance of doubt horses which are unsold having failed to reach their reserves do not qualify, nor do private sales.)

- (i)

The "recognised National Hunt Store sales" referred to above for these races in 2017 comprise the following:-

The Goffs Land Rover Sale, The Goffs UK Spring Store Sale, The Tattersalls Ireland Derby Sale and the Tattersalls Ireland August Sale.
- (ii)

The first sale will govern the price if the horse is sold more than once.
- (iii)

In the case of any dispute the official sale return will be used to determine the validity of the sale. Horse Racing Ireland will be the final arbiters of qualification for entry.
- (iv)

Any sale conducted outside the sales ring (private sale) will not be considered to qualify the horse for an auction value.
