### STANDARD CONDITIONS

The Racing Calendar Office of Weatherbys Thoroughbred Ltd. receives entries submitted for acceptance as agents for the Racecourse Authority and only upon the terms of the Standard Conditions. Acceptance of entries is subject to the power to refuse to allow entries to be accepted conferred by the Orders and Rules of Racing on the British Horseracing Authority Ltd. Entries are accepted by the Racing Calendar Office, acting as aforesaid, causing the name of the horse in question to be published as being entered for the race in question either in The Racing Calendar, when the race closes more than six days before running, or, for other races, on the British Horseracing Authority Racing Administration Internet site ([www.racingadmin.co.uk](http://www.racingadmin.co.uk)) and ordinarily in the Sporting Press.

For further details on Standard Conditions, reference should be made to "Standard Conditions" on the Racing Bulletin area of the Racing Administration Internet site ([www.racingadmin.co.uk](http://www.racingadmin.co.uk)) for the full details.

**FRANCE** - Owners and trainers of horses trained outside of France are reminded that, to enter any horse in a French race for the first time, they must register their horses in training through their access online at least 8 days before the closing time of entry, with the correct name of the horse, its suffix, sex, year of foaling and pedigree (sire, dam and sire of dam).

This declaration is not considered as an entry. Trainers are to make their entries and other declarations directly online. They must also supply a complete race record of all the performances of the horse(s) entered on the Internet, by fax (33 1 47 61 93 37) or email ([fgperf@france-galop.com](mailto:fgperf@france-galop.com)). The entry will not be valid if these performances are not received by the international department at Racing Operations by the time of the first forfeit, or on the eve of the declaration to run (if entries were made more than a month before the race).

When declaring a horse to run, it is the responsibility of the trainer to check the weight carried.

**Italy** - Owners and trainers of horses trained outside Italy are informed that, the first time they enter any horse to run in Italy, they must include with the entry the correct name, sex, year of foaling, pedigree (sire, dam and sire of dam) and the name of the country where the horse was foaled.

Owners and Trainers are reminded that the foreign race conditions published below are based upon information supplied by the relevant authority. For more detailed race conditions please refer to the relevant authorities racing administration website.

The British Horseracing Authority will amend  
paragraphs 28 to 32 of the Weights and  
Handicapping Code and the Declaration of  
Jockey section of the Race Entries Code in the  
event that raising of the weights at the 24-hour  
stage proves necessary. The British

Horseracing Authority has granted special  
permission to the York Racecourse Executive to  
stage a public Draw at which the stall numbers  
for declared runners will be allocated. The Draw  
will be broadcast live and will be overseen by a  
British Horseracing Authority official. Further  
details of the draw procedure will be published  
in due course. This race will utilise York  
Racecourse's 22-bay starting stalls. This race  
will be restricted to 22 runners plus two  
reserves. The two reserves will be nominated

'Reserves' which has been published in The

paragraph 41 of the Race Entry Code which  
require that they must notify the Racing  
Calendar Office immediately when the  
decision has been made not to run. This will  
maximise the list of runners and determine  
whether the weights will need to be raised.

modified the Declaration of Jockey section of  
the Race Entries Code and the Division of  
Races section of the Race Administration  
Code of the Rules of Racing for the  
purposes of this race.
