The modifications are underlined and will come into effect on 18 September 2025.

### 23. (b) Riders

- (v) A Rider, who is also a Handler, may not ride in a Point to Point Steeplechase against a horse they train, unless they are riding a horse they also train.

- (a) It is of the correct size for the Rider, in serviceable condition, with the chin strap properly adjusted and always fastened when mounted.
- (b) Must not have a chin cup, cradle, or draw lace; the chin strap must pass under the jaw and be secured by a quick-release buckle. Metal hooks are expressly forbidden.

### Appeals & Referrals Referral

The Referrals Committee, Mr N B Wachman (Chairperson), Mr Anthony Byrne and Mr John Murphy convened at the offices of the Irish Horseracing Regulatory Board on Tuesday, 2 September 2025 to consider the referral by a Senior Racing Official of Mr Kevin Healy (Rider) following the McDermott Farm Machinery Handicap Hurdle at Sligo on 20 August 2025.

On review of the race, it appeared that Mr Healy, rider of Mr Dibbs, may have been in breach of Regulation 10 regarding his use of the whip in the closing stages of the race.

At the referral hearing, evidence was heard from Mr Healy. The Referrals Committee also watched a recording of the race.

In his evidence, Mr Healy stated that he had used his whip for corrective purposes as his mount had received a bump in the closing stages of the race. However, Mr Healy did accept he was in breach of Regulation 10.

Having considered the evidence, the Referrals Committee found Mr Healy in breach of Regulation 10(3)(g), in that he had used his whip with excessive frequency and having considered Mr Healy's record in this regard, the Referrals Committee suspended him for three racedays.

The IHRB was represented by Ms Christine Traynor BL, IHRB Head of Racing Regulation and Integrity.

**Suspension Dates:** 19, 20 and 21 September

Should it be necessary to reduce the number of declared runners to the maximum runners, or to such a lesser number as may be required the following procedures shall be applied for the elimination and balloting of horses:-

(i) Runners will first be reduced by balloting from among those horses that have not run.

(ii) In the event of (i) not achieving the recommended limit runners will then be reduced by balloting from among those horses that, in the opinion of the Handicappers, have the lowest adjusted ratings (having regard to the applicable sex allowance). International performances will be taken into account.

The latest date for calculation of ratings is 10 a.m. on Tuesday, 7th October.

K.G. Kennedy rode Gotta Catch'em All (reserve), trained by H. Rogers (Race 6)

**260B Elphin H'cap** The Raceday Stewards granted a request from P.G. Fahey, trainer of Purring Along, for an additional ten minutes to present his charge for identification by an IHRB Official in accordance with the provisions of Rule 90.

The Raceday Stewards granted a request from P. Sweeney, trainer of Monsoon (GB), for an additional ten minutes to present his charge for identification by an IHRB Official in accordance with the provisions of Rule 90.

L.T. McAteer, rider of Boutella (GB), trained by David Marnane, reported to the Clerk of the Scales that his mount jinked right at the point of the bend.

The Raceday Stewards requested a report from Thomas Coyle, trainer, as to the apparent improvement in form of Selective Power, placed first, as compared with his recent form. Mr Coyle stated that the softer ground today may have brought about the apparent improvement in form. Having considered the report, the Raceday Stewards noted the report given.

The Raceday Stewards enquired into an incident on the bottom bend, involving Angels Instead, ridden by R.P. Cleary, unplaced, All Told, ridden by D. Browne McMonagle, placed fifth, Boutella (GB), ridden by L.T. McAteer, unplaced and Monsoon (GB), ridden by P. McGettigan, unplaced, where it appeared Angels Instead and Monsoon (GB) hit the railing. Evidence was heard from the riders concerned. R.P. Cleary stated that he was riding alongside the railing when he felt the railing kicked out at the turn and his mount shouldered into it. D. Browne McMonagle stated that there is a bit of an elbow in the railing and that he had to be mindful to stay out so as not to make contact with it. L.T. McAteer stated that his filly jinked in on top of Angels Instead at the point where the railing kinked out. P. McGettigan stated that he clipped the railing slightly when it kinked out but felt that he had caused no interference. Having viewed the recording of the race and considered the evidence, the Raceday Stewards were satisfied that no further action was warranted.

**260C Lidan H'cap** The Raceday Stewards granted a request from Gerard O'Leary, trainer of Sea Eagle (GB), for an additional ten minutes to present his charge for identification by an IHRB Official in accordance with the provisions of Rule 90. Subsequently the Raceday Stewards ordered the withdrawal of Sea Eagle (GB) for failing to present the horse for identification to an IHRB Official in accordance with the provisions of Rule 90 (i).

The IHRB Veterinary Officer examined Rowdy Yeats, trained by Noel Meade, at the request of

the Raceday Stewards and reported the animal to be post race normal.

The IHRB Veterinary Officer examined Rhythm King, trained by Mark Fahey, at the request of the Raceday Stewards and reported the animal to be post race normal.

The Raceday Stewards requested a report from Gavin Cromwell, trainer, as to the apparent improvement in form of Earls, placed first, as compared with his recent form. Mr Justin McGovern, the Authorised Representative for trainer Gavin Cromwell, stated that softer ground may have brought about the apparent improvement in form today. Having considered the report, the Raceday Stewards noted the report.

**260D Lecarrow Race** D.P. McDonogh, rider of Viking Invasion, trained by Joseph Patrick O'Brien, reported to the Clerk of the Scales that his mount lugged right, that he used his whip down the shoulder for corrective measures and his mount was also intimidated by the horse beside him.

The Raceday Stewards enquired into possible interference in the closing stages involving Viking Invasion, ridden by D.P. McDonogh, placed first and In My Teens, ridden by G.F. Carroll, placed second, where it appeared that interference may have occurred. Evidence was heard from the riders concerned. D.P. McDonogh stated that his mount drifted right, he made every attempt to straighten and that his mount then received contact from In My Teens. G.F. Carroll stated that his filly received a very severe bump which caused his mount to become unbalanced and felt this did not do him any favours in relation to his finishing position. Having viewed the recording of the race and considered the evidence, the Raceday Stewards were of the opinion that while Viking Invasion had caused interference to In My Teens, he did not improve his finishing position as a result of this interference so they made no alteration to the Judge's placings. Furthermore, the Raceday Stewards were satisfied that D.P. McDonogh had taken reasonable steps to avoid causing interference and therefore took no further action.

**260F Oran H'cap** K.G. Kennedy, rider of Gotta Catch'em All, trained by H. Rogers, reported to the Clerk of the Scales that his mount leaned left throughout.
