

MEDIAN AUCTION RACES

This Supplement contains information pertaining to horses whose sire established one or more yearling sales at Public Auctions (after July 1st) in 2022, 2021, 2020, 2019, 2018, 2017 and 2016 throughout Europe and North America.

The Supplement indicates in € the median values for stallions whose progeny are eligible to run in median auction races during 2023.

Owners and trainers are advised to refer to this list to check the eligibility of a stallion's progeny.

This supplement should be retained until the end of the flat season.
