The Stewards fined the following trainer in respect of his non-runner:

John S. O'Donoghue, trainer of It's A Heartbeat (Off feed) - €200

The Stewards authorised the following nomination and substitution of rider at this meeting:

C. Soumillon replaced R.P. Whelan on Benvenuto Cellini, trained by A.P. O'Brien (Race 3) (Stewards' permission)

271A Ballylinch Stud Irish European Breeders Fund Ingabelle Stakes The IHRB Veterinary Officer examined Teewinot, trained by Joseph Patrick O'Brien, at the request of the Raceday Stewards and reported the animal to be post-race normal.

271C Tonybet Solonaway Stakes C.D. Hayes, rider of Skukuza (GB), trained by Ed Dunlop (in GB), reported to the Clerk of the Scales that his mount was too keen throughout.

271D Coolmore America 'Justify' Matron Stakes The IHRB Veterinary Officer examined January, trained by A.P. O'Brien, at the request of the Raceday Stewards and reported the animal to be post-race normal.

271E The Royal Bahrain Irish Champion Stakes The IHRB Veterinary Officer examined Shin Emperor (FR), trained by Yoshito Yahagi (in JPN), at the request of the Raceday Stewards and reported the animal to be post-race normal.

The IHRB Veterinary Officer examined White Birch (GB), trained by John Joseph Murphy, at the request of the Raceday Stewards and reported the animal to have a small cut on his left fore lateral canon but was otherwise found to be post-race normal.

C.D. Hayes, rider of Anmaat, trained by Owen Burrows (in GB), reported to the Clerk of the Scales that his mount was very badly hampered leaving the stalls.

The Raceday Stewards enquired into an incident in the home straight involving Shin Emperor (FR), ridden by Ryusei Sakai, placed sixth, White Birch (GB), ridden by D. Browne McMonagle, placed fifth, and Mount Kilimanjaro (FR), ridden by R.P. Whelan, placed eighth, where it appeared there was contact between Shin Emperor and White Birch. Evidence was heard from the riders concerned. Ryusei Sakai stated that his mount had nothing left and that the contact was not an issue. D. Browne McMonagle stated that he maintained his line but the horse on his outside switched back in. R.P. Whelan stated that his race was run and he maintained his line. Having viewed the recording of the race and considered the evidence, the Raceday Stewards did not apportion blame to any rider and took no further action. Ryusei Sakai gave his evidence through Hiroshi Ando, his interpreter, at this enquiry.

The Raceday Stewards enquired into an incident shortly after leaving the stalls involving Anmaat, ridden by C.D. Hayes, placed second, Royal Champion, ridden by C. Lee, placed third, Delacroix, ridden by C. Soumillon, placed first, Hotazhell (GB), ridden by S. Foley, placed fourth, and Mount Kilimanjaro (FR), ridden by R.P. Whelan, placed eighth, where it appeared Royal Champion and Anmaat ran short of room. Evidence was heard from the riders concerned. C.D. Hayes stated that he broke well but wanted cover and received pressure as he took back. C. Lee stated that he had to check. C. Soumillon stated that his mount broke very well and shied away from the camera car on the outside. S. Foley stated that things became tight. R.P. Whelan stated that he intended to make the running but his mount jumped slowly. Having viewed the recording of the race and considered the evidence, the Raceday Stewards found C. Soumillon was in breach of Rule 214 in that he had ridden carelessly. Having considered his record in this regard (first offence), the Raceday Stewards suspended him for two racedays. In arriving at their decision, the Raceday Stewards did agree that Delacroix had broken to his left but felt C. Soumillon had failed to take reasonable steps to correct his mount.

B.M. Coen, rider of Zahrann, trained by J.P. Murtagh, reported to the Clerk of the Scales that his mount became upset in the stalls.

The Raceday Stewards interviewed Mr Peter Roe, Head of Racing, HRI Racecourses, after it appeared that Delacroix, placed first, jinked from a photographer at the winning post. Mr Roe apologised for this incident and stressed that he would make every effort to ensure that a repeat incident did not occur. The Raceday Stewards took no further action other than to remind Mr. Roe of his responsibilities to comply with the protocol already in place regarding photographers.

271F CMG Group Stakes The Raceday Stewards informed Mrs John Harrington, trainer of Mo Ghille Mar, that a repeat of the behaviour whereby she refused to enter the parade ring and proceeded directly to the start, may render the animal liable to a suspension in the future.

271G Irish Stallion Farms European Breeders Fund Sovereign Path H'cap R.P. Whelan, rider of Dance Night Andday, trained by Ross O'Sullivan, reported to the Clerk of the Scales that it was congested at the first bend.

P.A. Harnett, rider of Dunum, trained by Natalia Lupini, reported to the Clerk of the Scales that his mount received a bump from the inside after

one and a half furlongs. Having viewed a recording of the race and considered the matter, the Raceday Stewards were satisfied that no further action was warranted.

M.W. Hassett, rider of Glenfinnan, trained by Michael Dods (in GB), reported to the Clerk of the Scales that his mount hung right throughout.

The Raceday Stewards received a report from the Clerk of the Scales that Nicola Burns, rider of Pier Pressure (FR), had weighed in at 1.4lbs overweight. Evidence was heard from the rider concerned who accepted that this was the case and apologised for her actions. Having considered the evidence, the Raceday Stewards were satisfied that she was in breach of Rule 231. Having considered her record in this regard (first offence), the Raceday Stewards cautioned her on this occasion.

The Raceday Stewards reviewed an incident in the closing stages of this race involving Dance Night Annday, ridden by R.P. Whelan, unplaced, and I Am Superman, ridden by J.A. Powell, unplaced, where it appeared I Am Superman momentarily ran short of room. Having viewed the recording of the race and considered the matter, the Raceday Stewards were satisfied that no further action was warranted.

271H Irish Stallion Farms European Breeders Fund Petingo H'cap The Raceday Stewards enquired into possible interference in the closing stages of this race involving Happy Pharoah, ridden by P.A. Harnett, placed first, and Light As Air, ridden by J. Cleary, placed second, where it appeared interference may have occurred. Evidence was heard from the riders concerned. P.A. Harnett stated that both horses drifted together for the first contact and then he did his best to straighten his mount. J. Cleary stated that there was contact but it had not affected his finishing position. Having viewed the recording of the race and considered the evidence, the Raceday Stewards were of the opinion that while Happy Pharoah had caused interference to Light As Air it did not improve his finishing position as a result of this interference, so they made no alteration to the Judge's placings. They were, however, of the opinion that P.A. Harnett was in breach of Rule 214 in that he had ridden carelessly. Having considered his record in this regard (third offence), the Raceday Stewards suspended him for eight racedays.

D. Browne McMonagle, rider of Aeronautic, trained by Joseph Patrick O'Brien, reported to the Clerk of the Scales that his mount suffered interference on the first bend.

D.P. McDonogh, rider of Comfort Zone, trained by Joseph Patrick O'Brien, reported to the Clerk of the Scales that his mount was slowly away and bumped after the start.

J.M. Sheridan, rider of Too Bossy For Us, trained by W.P. Mullins, reported to the Clerk of the Scales that his mount was impeded slightly two hundred yards out.

R.P. Cleary, rider of Buddy One, trained by Paul John Gilligan, reported to the Clerk of the Scales that his mount was badly hampered early on.

K.G. Kennedy, rider of God Of Thunder, trained by Denis Gerard Hogan, reported to the Clerk of the Scales that his mount was tight for room on the first bend.

The Raceday Stewards enquired into an incident on the first bend involving Aeronautic, ridden by D. Browne McMonagle, placed third, Lord Church, ridden by J.A. Powell, placed sixth, and Buddy One, ridden by R.P. Cleary, unplaced, where it appeared Buddy One ran short of room. Evidence was heard from the riders concerned. D. Browne McMonagle stated that he received pressure from his outside. J.A. Powell stated that he maintained his line as the horses in front crossed him. R.P. Cleary stated that he received pressure from his outside and ran up on rails. Having viewed the recording of the race and considered the evidence, the Raceday Stewards found J.A. Powell was in breach of Rule 214 in that he had ridden carelessly. Having considered his record in this regard (second offence), the Raceday Stewards suspended J.A. Powell for four racedays. K.G. Kennedy was unable to attend this enquiry as he was receiving medical attention after a fall in a subsequent race. However, the Raceday Stewards were satisfied that they could proceed in his absence in circumstances where there was sufficient evidence available from the other riders.

271J Hong Kong Jockey Club Autumn (Fillies) H'cap The Raceday Stewards enquired into an incident in the closing stages of this race involving Independent Expert, ridden by J. Kearney, unplaced, and Empress Artemis, ridden by J.M. Sheridan, placed fourth, where it appeared there was contact between the two. Evidence was heard from the riders concerned. J. Kearney stated that there was minor contact. J.M. Sheridan stated that he maintained his line and there was slight contact. Having viewed the recording of the race and considered the evidence, the Raceday Stewards did not apportion blame to any rider and took no further action.

S. Coen, rider of Letherfly, trained by Noel Meade, reported to the Clerk of the Scales that his mount hung left into the straight.

S. Foley, rider of Proxima Centauri, trained by Mrs John Harrington, reported to the Clerk of the Scales that his mount never picked up in the straight.

D.P. McDonogh, rider of Sindria, trained by Joseph Patrick O'Brien, reported to the Clerk of the Scales that his mount ran very green.

Curragh Meeting, 14th September 2025

272A Irish Stallions Farms European Breeders Fund Bold Lad Sprint H'cap Following a report from the IHRB Veterinary Officer, the Raceday Stewards enquired into the circumstances surrounding Go Athletico (FR), trained by Adrian McGuinness, being presented to an IHRB Official with what appeared to be an active skin allergy. Evidence was heard from the trainer and the Senior IHRB Veterinary Officer, Lynn Hillyer. In his evidence, Adrian McGuinness said his charge suffers from very sensitive skin and regularly breaks out in a rash. He added that the rash may be the result of shampoo or a recent change in hay. The Raceday Stewards also received a veterinary cert from the trainer's veterinary surgeon after the horse was presented for examination and

the trainer confirmed the veterinary surgeon had not seen the animal today. Having considered the evidence, which included video and photographic images, the Raceday Stewards withdrew Go Athletico in accordance with the provisions of Rule 148 (xi) A and took no further action.

C.D. Hayes, rider of Carla Ridge, trained by Eddie & Patrick Harty, reported to the Clerk of the Scales that his mount was badly hampered before halfway.

W.J. Lee, rider of Keke (GB), trained by Edward Lynam, reported to the Clerk of the Scales that he had to check two furlongs out.

J.A. Heffernan, rider of Betsen (GB), trained by Jack W. Davison, reported to the Clerk of the Scales that his mount received pressure from his outside and had to check.

Cieren Fallon, rider of Moltophino, trained by John Andrew Kinsella, reported to the Clerk of the Scales that his mount hung badly left throughout.

K.G. Kennedy, rider of Sarahmae, trained by Denis Gerard Hogan, reported to the Clerk of the Scales that his mount had no luck in running.

The Raceday Stewards enquired into an incident in the straight involving Carla Ridge, ridden by C.D. Hayes, unplaced, Betsen (GB), ridden by J.A. Heffernan, unplaced, Sarahmae, ridden by K.G. Kennedy, unplaced, and Jon Riggins, ridden by M.W. Hassett, unplaced, where it appeared interference may have occurred. Evidence was heard from the riders concerned. C.D. Hayes said he ran short of room and had to take a severe check. J.A. Heffernan said the interference was caused by the main field making their way towards the stands' side rail causing several horses on the rail to get tight. K.G. Kennedy said he was carried across by the main group and had to check. M.W. Hassett said he had to check when it became tight. Having viewed the recording of the race and considered the evidence, the Raceday Stewards found K.G. Kennedy was in breach of Rule 214 in that he had ridden carelessly. Having considered his record in this regard (second offence), they suspended him for four racedays.

R. Elliott, rider of Kodiak Thriller, trained by Mark Walford (in GB), reported to the Clerk of the Scales that his mount hung left throughout.

272B Moyglare "Jewels" Blandford Stakes The Raceday Stewards enquired from W.J. Lee, rider of Higher Leaves, who appeared to clip a heel and become unseated. W.J. Lee said his mount was running keenly and clipped the heel of the horse in front of him, unseating him in the process.

The Raceday Stewards interviewed J.J.G. Ryan, rider of Naomi Lapaglia (GB), concerning

his use of the whip in the closing stages of this race of this race. Evidence was heard from the rider concerned who felt he had used his whip appropriately. Having viewed a recording of the race and considered the evidence, the Raceday Stewards were satisfied that the rider was in breach of R10.3(e)(hitting a horse in the incorrect place). Having considered his clean record, they suspended him for two racedays.

The Raceday Stewards interviewed G.F. Carroll, rider of Snellen, concerning his use of the whip in the closing stages of this race. Evidence was heard from the rider concerned who said he used his whip correctly and his whip landed on his mount's hindquarters. Having viewed a recording of the race and considered the evidence, the Raceday Stewards accepted the rider's evidence and took no further action.

272D Bar One Racing Flying Five Stakes D. Tudhope, rider of Nighteyes, trained by David O'Meara (in GB), reported to the Clerk of the Scales that his mount finished lame. This was confirmed by the IHRB Veterinary Officer.

By agreement with the Raceday Stewards, all riders from this race were invited into the Stewards room to review the video footage from this race.
