

HRI REGISTRY OFFICE CHARGES FOR 2023

Horse Racing Ireland require funds (please see list below) to be submitted with owner application forms to open an account. Registration fees such as Annual Colours* and Authority to Act* will be deducted from this first payment. The balance remaining will be used towards racing expenses (entry & declaration fees, bookage fees, riding fees etc.). Five/Ten year or Life Colours are additional costs to the above and should be added to this amount when submitted.

Please note if a registered owner appoints a Curragh Trainer then there are additional Curragh Training Grounds charges which will be applied through the owner(s) account (typically €430.55 incl vat per quarter per horse in training).
