### STANDARD CONDITIONS

The Racing Calendar Office of Weatherbys Thoroughbred Ltd. receives entries submitted for acceptance as agents for the Racecourse Authority and only upon the terms of the Standard Conditions. Acceptance of entries is subject to the power to refuse to allow entries to be accepted conferred by the Orders and Rules of Racing on the British Horseracing Authority Ltd. Entries are accepted by the Racing Calendar Office, acting as aforesaid, causing the name of the horse in question to be published as being entered for the race in question either in The Racing Calendar, when the race closes more than six days before running, or, for other races, on the British Horseracing Authority Racing Administration Internet site ([www.racingadmin.co.uk](http://www.racingadmin.co.uk)) and ordinarily in the Sporting Press.

For further details on Standard Conditions, reference should be made to "Standard Conditions" on the Racing Bulletin area of the Racing Administration Internet site ([www.racingadmin.co.uk](http://www.racingadmin.co.uk)) for the full details.

**FRANCE** - Owners and trainers of horses trained outside of France are reminded that, to enter any horse in a French race for the first time, they must register their horses in training through their access online at least 8 days before the closing time of entry, with the correct name of the horse, its suffix, sex, year of foaling and pedigree (sire, dam and sire of dam).

This declaration is not considered as an entry. Trainers are to make their entries and other declarations directly online. They must also supply a complete race record of all the performances of the horse(s) entered on the Internet, by fax (33 1 47 61 93 37) or email ([fgperf@france-galop.com](mailto:fgperf@france-galop.com)). The entry will not be valid if these performances are not received by the international department at Racing Operations by the time of the first forfeit, or on the eve of the declaration to run (if entries were made more than a month before the race). When declaring a horse to run, it is the responsibility of the trainer to check the weight carried.

**Italy** - Owners and trainers of horses trained outside Italy are informed that, the first time they enter any horse to run in Italy, they must include with the entry the correct name, sex, year of foaling, pedigree (sire, dam and sire of dam) and the name of the country where the horse was foaled.

Owners and Trainers are reminded that the foreign race conditions published below are based upon information supplied by the relevant authority. For more detailed race conditions please refer to the relevant authorities racing administration website.

Having viewed the recording of the race and considered the evidence, the Raceday Stewards were satisfied that no further action was warranted.

W. Joyce, rider of Onemorestar, trained by J. Motherway, reported to the Stewards' Secretaries that his mount took a false step. Having viewed the recording of the race and considered the matter, the Raceday Stewards were satisfied no further action was warranted.

The Raceday Stewards interviewed W. Joyce, rider of Onemorestar, concerning his use of the whip in the closing stages of this race. Evidence was heard from the rider concerned who stated that his mount had stumbled but was still running on. Having viewed a recording of the race and considered the evidence, the Raceday Stewards were satisfied that W. Joyce was in breach of R.10.3(b)(unnecessary use when out of contention). Having considered his clean record in this regard, they suspended him for two racedays.

The Raceday Stewards advised Shane Crawley, trainer of Don't Look Now, that a repeat performance from his charge which refused to race, may render the animal liable to a suspension in the future.

**153G(ii) Racing Again Next Friday H'cap (Division Two)** L.F. Roche, rider of Prom Queen, trained by Anthony McCann, reported to the Clerk of the Scales that his mount hung severely left throughout.

S. Foley, rider of Chopsticks, trained by John C. McConnell, reported to the Clerk of the Scales that his mount was not able to sprint in the straight.

**GENERAL INFORMATION** The following Raceday Stewards acted on behalf of the Irish Horseracing Regulatory Board at this race meeting:

Mr. N. McGrath (Chairman), Mr. M. O'Malley, Mr. P.N. Reynolds, Mr. J. Rearden & Mr. H.T. Hynes.

Prior to the meeting, the Raceday Stewards approved a request from Clerk of the Course, Mr. B. Sheridan, to amend the distance of races six,

seven and eight to one mile, one furlong and one hundred and ninety yards, due to operational reasons.

**Navan Meeting, 7th June 2025**

**154A Lynn Lodge Stud Irish European Breeders Fund M'dn** The Raceday Stewards reviewed an incident in the closing stages involving Amiata, ridden by G.F. Carroll, unplaced, Baker Blue (GB), ridden by S. Foley, placed fifth, and Enthusiastically, ridden by G.M. Ryan, unplaced, where it appeared that G.F. Carroll had to sit for a stride. Having viewed the recording of the race and considered the matter, the Raceday Stewards were satisfied that no further action was warranted.

J.A. Heffernan, rider of Parkside Lad, trained by William Durkan, reported to the Clerk of the Scales that his mount was squeezed out at the start. Having viewed the recording of the race and considered the matter, the Raceday Stewards were satisfied that no further action was warranted.

N.M. Crosse, rider of Lilibittyprettyone, trained by David Marnane, reported to the Clerk of the Scales that his mount made an abnormal respiratory noise.

**154B Navan Racing Festival Early Bird H'cap** R. Whearty, rider of Little Queenie, trained by Paul W. Flynn, reported to the Clerk of the Scales that his mount went right in the last hundred yards.

J.J.G. Ryan, rider of Thunderbear, trained by Jack W. Davison, reported to the Clerk of the Scales that he felt pressure from the left on the line.

The Raceday Stewards enquired into possible interference in the closing stages involving Thunderbear, ridden by J.J.G. Ryan, placed third, Little Queenie, ridden by R. Whearty, placed second, Apache Outlaw, ridden by Adam Caffrey, placed fourth and Sturlasson, ridden by C.D. Hayes, placed fifth, where it appeared interference may have occurred. Evidence was heard from the riders concerned. J.J.G. Ryan stated that he felt pressure from the left but it did not affect his finishing position. Adam Caffrey stated that he felt pressure from both sides landing on the line but it did not affect his finishing position. C.D. Hayes stated that he felt pressure from Little Queenie. R. Whearty stated that his mount had hung right looking at the parade ring just before the line but he had made every effort to correct his mount. Having viewed the recording of the race and considered the evidence, the Raceday Stewards were of the opinion that while Little Queenie had caused interference to both Sturlasson and Thunderbear, she did not improve her finishing position relative to these horses. Therefore, they made no alteration to the Judge's placings. They were, however, of the opinion that R. Whearty was in breach of Rule 214 in that he had ridden carelessly. Having considered his record in this regard (second offence), the Raceday Stewards suspended him for four racedays.

Adam Caffrey, rider of Apache Outlaw, trained by Adrian McGuinness, reported to the Clerk of the Scales that his mount clipped a heel on the line.

C.D. Hayes, rider of Sturlasson, trained by Kieran P. Cotter, reported to the Clerk of the Scales that his mount was wiped out late on.

Having considered his clean record in this regard, they suspended him for two racedays.

The Raceday Stewards interviewed L. Quinlan, rider of Kalnoo, concerning his use of the whip in the closing stages of this race. Evidence was heard from the rider concerned who accepted he was in breach of the whip Regulation and apologised for his actions. J. Smith replaced J. Coen on Fillusin, trained by Gordon Elliott (Race 4) (Injured)  
P. Cleary replaced J. Coen on William Butler, trained by Gordon Elliott (Race 5) (Injured)  
P. Cleary replaced J. Coen on Howdoyalikeherhome, trained by Gordon Elliott (Race 6) (Injured)

**156C K-Mech Mechanical H'cap S'chase** The IHRB Veterinary Officer examined Lisnagar Fortune, trained by W.P. Mullins, at the request of the Raceday Stewards and reported the animal to be blowing hard post race.

The Raceday Stewards requested a report from T.M. Walsh, trainer, as to the apparent improvement in form of Hardwired, placed first, as compared with his recent form. T.M. Walsh stated that a drop back in trip on a track where he has won twice before coupled with everything falling right for him today had helped to bring about the apparent improvement in form. Having considered the report, the Raceday Stewards noted the explanation given.

K.C. Sexton, rider of Antrim Coast, trained by Gavin Cromwell, reported to the Clerk of the Scales that his mount suffered interference on the bend from the winner. Having viewed a recording of the race and considered the matter, the Raceday Stewards were satisfied that no further action was warranted.

**156E Lily & Wild (Mares) M'dn H'dle** The Raceday Stewards received a request from Eoin Griffin, trainer of Doyentohurl, to allow his charge to run without hind shoes as she had pulled one shoe in transit and he wanted to remove the other one also. **156F John Dowling Memorial M'dn H'dle** The Raceday Stewards enquired into an incident approximately four and a half furlongs from home involving Jetovango, ridden by E. Walsh, unplaced, Mister Frostie, ridden by J.P. O'Sullivan, unplaced, Stickman, ridden by A. McCurtin, unplaced, and Tippawan Haa, ridden by J. Smith, placed sixth, where it appeared Jetovango clipped a heel. Evidence was heard from the riders concerned. E. Walsh stated that his race was run, was unable to hold his position

and was retreating when things became tight. J.P. O'Sullivan stated that it was general bunching as horses leaned in on the bend. A. McCurtin stated that he maintained his line. J. Smith stated that his mount was very green but that the two horses on the outside maintained their line. Having viewed the recording of the race and considered the evidence, the Raceday Stewards took no further action other than to remind J.P. O'Sullivan to be more mindful of horses on his inner dropping away.

G.B. Noonan, rider of Tinking Man, trained by Eoin Christopher McCarthy, reported to the Clerk of the Scales that his mount hung badly left.

**156G Madison Flooring Supporting H'cap H'dle** The Raceday Stewards enquired into possible interference at the last hurdle and to the line involving Londonofficecallin, ridden by K.E. Buckley, placed first and Stay Gold, ridden by L.A. McKenna, placed second, where it appeared that interference may have occurred. Evidence was heard from the riders concerned. K.E. Buckley stated that both horses jumped the last hurdle to their left independently of each other and that the second horse had not suffered any interference at it. Furthermore, he added that when they made contact it was after the finish line. L.A. McKenna stated that he was badly hampered at the last and then closed all the way to the line. Furthermore, he added that he felt it had cost him the race. Having viewed the recording of the race and considered the evidence, the Raceday Stewards were satisfied that Londonofficecallin was sufficiently clear when jumping left at the last and that Stay Gold had drifted left towards the stands on the run to the line of its own accord. Furthermore, they were satisfied that the bump between the two was after the line so they made no alteration to the Judge's placings and took no further action.

The IHRB Veterinary Officer reported to the Raceday Stewards that Coral River, trained by Thomas Mullins, was found to be lame on his right hind post race.

The Raceday Stewards enquired from B.W. Harvey, rider of Navigator Jack, who slipped up on the home bend. B.W. Harvey stated that his mount slipped up independently of any other horse. Having considered the matter and viewed a recording of the race, the Raceday Stewards were satisfied that no further action was warranted.

**156H Irish European Breeders Fund (Mares) (Pro-Am) INH Flat Race** The Raceday Stewards, prior to racing, granted a request from the IHRB Clerk Of The Course to amend the distance of this race to two miles and ninety yards, due to necessary rail realignment.

The Raceday Stewards granted permission for Ode To Joy to run in accordance with the provision of Rule 90(v) as positive identification can be made but there are discrepancies in the markings as recorded in the Passport. The Trainer shall have (30) days to update the passport to the satisfaction of an IHRB Veterinary Officer/Assistant.

The Raceday Stewards interviewed Mr P.W. Mullins, rider of Brosna Queen, concerning his use of the whip in the closing stages of this race. **156J Bermingham Cameras M'dn H'dle** At the request of the Raceday Stewards, R.J. Condon, rider of Seeitoldya (GB), trained by Miss Ellmarie Holden, reported to the Stewards' Secretaries that his mount was off the bridle early and just stayed on.
