The Racing Calendar Office of Weatherbys Thoroughbred Ltd. receives entries submitted for acceptance as agents for the Racecourse Authority and only upon the terms of the Standard Conditions. Acceptance of entries is subject to the power to refuse to allow entries to be accepted conferred by the Orders and Rules of Racing on the British Horseracing Authority Ltd. Entries are accepted by the Racing Calendar Office, acting as aforesaid, causing the name of the horse in question to be published as being entered for the race in question either in The Racing Calendar, when the race closes more than six days before running, or, for other races, on the British Horseracing Authority Racing Administration Internet site ([www.racingadmin.co.uk](http://www.racingadmin.co.uk)) and ordinarily in the Sporting Press.

For further details on Standard Conditions, reference should be made to "Standard Conditions" on the Racing Bulletin area of the Racing Administration Internet site ([www.racingadmin.co.uk](http://www.racingadmin.co.uk)) for the full details.

**FRANCE** - Owners and trainers of horses trained outside of France are reminded that, to enter any horse in a French race for the first time, they must register their horses in training through their access online at least 8 days before the closing time of entry, with the correct name of the horse, its suffix, sex, year of foaling and pedigree (sire, dam and sire of dam).

This declaration is not considered as an entry. Trainers are to make their entries and other declarations directly online. When declaring a horse to run, it is the responsibility of the trainer to check the weight carried.

Gilligan stated that he was carried across the track after the last hurdle and felt he did not get a fair chance to pass the winner. T. Power Roche stated that his horse had drifted left after the last hurdle and was idling but felt he was always holding the runner up. Having viewed the recording of the race and considered the evidence, the Raceday Stewards were of the opinion that while Must Meet Cecil had caused interference to Darkened in that he did not improve his finishing position as a result of this interference, so they made no alteration to the Judge's placings. They were, however, of the opinion that T. Power Roche, was in breach of Rule 214 in that he had ridden carelessly. Having considered his record in this regard (third offence), the Raceday Stewards suspended him for eight racedays.

Dalton, to completely miss the break having become stuck in the stalls. Evidence was heard from J.S. Dalton, Andrew Slattery, trainer, Derek Cullen, IHRB Starter, and a representative from the Stall Handlers team. J.S. Dalton said his horse charged the gate and got his nose stuck. Derek Cullen said from his vantage point he saw the horse charge the stall but waited until he was settled before releasing the gates. Having considered all the evidence, the Raceday Stewards declared Poppadom a non runner under the provisions of Rule 209(v) and took no further action.

Crosse where it appeared Joe Masseria received a bump from Sylkie. Evidence was heard from the riders concerned. R.P. Cleary stated his mount was difficult and running keenly when he took off heels bumping Joe Masseria by accident in the process. N.M. Crosse said he received a bump from the horse on his inner. Having viewed the recording of the race and considered the evidence, the Raceday Stewards took no further action.

C.D. Hayes, rider of Razdan, trained by Chris Timmons, reported to the Clerk of the Scales that his mount was slowly away from the stalls.

**087H Racing Again Tomorrow H'cap** The Raceday Stewards enquired into possible interference in the straight involving Grizabella, ridden by D. McMonagle, placed second and Plunkett Street (GB), ridden by L.F. Roche, placed first, where it appeared that interference may have occurred. Evidence was heard from the riders concerned. D. McMonagle said he went for a run down the inside and Plunkett Street drifted across, tightening him and caused him to switch. He added the interference cost him the winning of the race. L.F. Roche said his mount hung right all the way up the straight and felt Grizabella had enough time to get into the gap if he was good enough. Having viewed the recording of the race and considered the evidence, the Raceday Stewards made no alteration to the Judge's placings and took no further action.

D. McMonagle, rider of Grizabella, trained by Paul W. Flynn, reported to the Clerk of the Scales that his mount was carried right and had to switch which cost him the winning of the race.

The Raceday Stewards enquired into the running and riding of Ballysax Hank, ridden by K.E. Buckley, and trained by Gavin Cromwell. Evidence was heard from the rider and trainer concerned. K.E. Buckley stated that his instructions were to drop his mount out as it has

previously raced keenly. He added that his mount was again very keen and also jumped poorly today and the race was not run to suit. Mr Cromwell stated that his charge wears a hood and can be very keen and to have any chance it must be dropped out and settled. He added that given how steadily the race was run, he was satisfied with the ride. The Raceday Stewards also received a report from the IHRB Veterinary Officer who stated that Ballysax Hank was post-race normal. Samples were taken for further analysis. Having viewed the recording of the race and considered the evidence, the Raceday Stewards noted the explanations given by Gavin Cromwell and K.E. Buckley. They did however remind K.E. Furthermore, the Raceday Stewards were satisfied that K.E. Buckley was in breach of Rule 213, in that he had failed to report in the first instance to the Clerk of The Scales anything that might have affected the running of his horse in a race. Having considered his record in this regard (first offence), the Raceday Stewards suspended him for one raceday.
