Saturday 20th April 2024

4yo Geldings Maiden

The Acting Stewards interviewed Mr. William Ross Crawford, Handler of Ballyedward, following a report from Mr. Declan Condell, IHRB Veterinary Assistant, that when Ballyedward was presented to have its Microchip checked prior to entering the parade ring for this race, the Tongue Strap fitted to the horse was made of vetrap. Evidence was heard from both Mr. Crawford and Mr. Condell.

Mr. Crawford stated that he was unaware that vetrap was not permitted to be used as a Tongue Strap and apologised for his actions, he said that he immediately removed the Tongue Strap prior to the race when requested to do so by Mr. Condell. Having considered the evidence, the Acting Stewards were of the opinion that the Handler was in breach of ION 12, cautioned Mr. Crawford and reminded him of his future responsibilities in this regard.

Appeals & Referrals

Appeals

The Appeals Body, Mr Justice Tony Hunt (Chairperson), Ms Meta Osborne and Ms Mary Cosgrave, convened in the Stewards Room at The Curragh Racecourse on Sunday, 21 April, to consider the appeal of Seamus Heffernan (Rider) following the decision of the Raceday Stewards at Dundalk on Friday, 12 April 2024.

Following the running of the Get Best Odds Guaranteed BetVictor Maiden, the Raceday Stewards found Mr Heffernan, rider of Dairago, was in breach of Regulation 10.3(g) in that he had used his whip with excessive frequency and having considered his record in this regard they suspended him for 16 racedays.

The grounds of appeal lodged by Mr Heffernan was that at least one of the strikes was for corrective and safety purposes.

At the Appeal Hearing, evidence was heard from Mr Heffernan. The Appeals Body also watched a recording of the race.

In his evidence, Mr Heffernan explained at least one strike was used as a corrective measure as his mount was inexperienced and making his racecourse debut. Mr Heffernan stated that as some of the runners got tight for room, his mount was slow going into the gap and he didn't want his mount to back out as he was trying to avoid interference. Mr Heffernan said he was unsure whether or not contact was made in one instance. Mr Heffernan added that since his previous breaches he had taken action to change his riding style to be more conscious of his whip use.

Having considered the evidence, the Appeals Body were satisfied that Mr Heffernan was in breach of Regulation 10.3(g) in that he appeared to use his whip with excessive frequency, and that the Raceday Stewards did not err in finding him in breach of Regulation. They also did not consider that any use of the whip was justified by reference to corrective action.

As to the issue of sanction, the Appeals Body received additional and lengthy legal submissions that were not available to the Raceday Stewards in imposing a sanction in line with the applicable Guidelines. In this regard, the Appeals Body noted that such Guidelines are an important aid to achieving consistency, and should only be departed from for stated reasons. A panel was obliged to consider mitigating factors and submissions addressed to it and could depart from the Guidelines if persuaded that there was a valid reason for so doing.

In this case, Mr Coonan pointed to the fact that Mr Heffernan's three previous breaches had occurred in quick succession in a short period in August and September of last year and that over seven months and 244 rides had elapsed since Mr Heffernan's last whip offence, which did not involve excessive frequency. The Appeals Body therefore accepted that he had made significant efforts to address and improve his whip technique. Although the Appeals Body did not consider that the Raceday Stewards had erred in their decision on the evidence and submissions available to them at the initial enquiry, in the light of the additional mitigation put forward on appeal, they reduced Mr Heffernan's suspension to 10 racedays.

The appeal was presented by Mr Andrew Coonan on behalf of Mr Heffernan. The IHRB was represented by Mr Liam Walsh, IHRB Senior Stipendiary Steward, and Ms Clíodhna Guy, IHRB Head of Licensing, Legal and Compliance.

Suspension dates: 26, 27, 29 April, 5, 6, 8, 10, 11, 12 and 13 May

The Stewards authorised the following nomination and substitution of rider at this meeting:

S. Ewing replaced M.M. McDonagh on Balovale, trained by E.J. O'Grady (Race 1) (See enquiry)

396A Mulvaney Bookmakers M'dn H'dle The Raceday Stewards received a request from E.J. O'Grady, trainer of Balovale, to substitute the nominated rider, M.M. McDonagh, with S. Ewing, due to M.M. McDonagh experiencing transport difficulties. Having considered the evidence, the Raceday Stewards allowed the request on this occasion. Furthermore, the Raceday Stewards considered proof of transport difficulties offered by M.M. McDonagh's Agent and were satisfied that no further action was warranted.

The IHRB Veterinary Officer reported to the Raceday Stewards that Shades Of Tara (GB), trained by P.A. Fahy, was found to have blood at both nostrils post race.

N.T. Prendergast, rider of Minella Buddy, trained by John J. Nallen, reported to the Clerk of the Scales that his mount took a false step turning in.

396B Daragh Fitzpatrick Bookmakers Hcap H'dle The IHRB Veterinary Officer examined Construct (GB), trained by John C. McConnell, at the request of the Raceday Stewards and reported the animal to have pulled his right fore shoe, but was otherwise found to be post race normal.

D. Meyler, rider of Three In A Row, trained by A.L.T. Moore, reported to the Stewards' Secretaries that he had used his whip down the shoulder in the forehand position for corrective purposes on one occasion. 396E Pat O'Hare Bookmakers (Mares) H'cap H'dle The Raceday Stewards requested a report from Robert Tyner, trainer, as to the apparent improvement in form of Crecora Hills, placed first, as compared with her recent form. Mr. Tyner stated that his charge has previously jumped poorly and that a better round of jumping today coupled with a step up in trip had helped to bring about the apparent improvement in form. Having considered the report, the Raceday Stewards noted the content of the report.

396G McManus Bookmakers (Fillies) INH Flat Race The Raceday Stewards received a report from Mr. A. Ring, IHRB Clerk of the Scales, regarding the fact that Mr R.W. Barron, rider of Dream On Baby, weighed in at 1.1lbs overweight. Evidence was heard from the rider concerned who accepted that this was the case and apologised. Ballinrobe Meeting, 19th April 2024

086A Bowers Bar & Restaurant (Mares) M'dn H'dle The Raceday Stewards granted a request from D. Broad, trainer of Burvea, for an additional ten minutes to present his charge for identification by an IHRB official in accordance with the provisions of Rule 90 (i).

The Raceday Stewards enquired into the apparent improvement in form of Diamond Nora, trained by Declan Queally, placed first, compared with her recent form. Evidence was heard from the IHRB Handicapper, Mr. A. Shaw, who stated that this horse has had only two runs when finishing 20th of 25 runners beaten 51 lengths at Naas on 25th February and also when finishing 10th of 16 runners beaten 61 lengths at Gowran Park on 9th March. Furthermore, Mr. Shaw added that whilst she had won her sole point to point start, in her two hurdle runs she had shown nothing and this run today represented a marked improvement in her hurdle form. Evidence was also heard from the trainer's Authorised Representative, Mark T. Spillane, who stated that the yard may have been under a cloud and this horse may have also been sick. He further added that the change in tactics today may have brought about the apparent improvement in form. Having considered the evidence, the Raceday Stewards referred the matter to the Referrals Committee for further investigation.

086B Tim Kelly (C&G) M'dn H'dle At the request of the Raceday Stewards, D. King, rider of Fairytale New York, trained by A.J. Martin, reported to the Stewards' Secretaries that his mount was dropped in and stayed on one pace.

Evidence was heard from the rider concerned who accepted he was in breach of the whip Regulation and apologised for his actions. Evidence was heard from the trainer concerned who stated that his charge is a difficult type and very hard on himself. Having considered the matter, the Raceday Stewards noted the content of the report.

Flanagan stated that he was coming with a run and the interference he received cost him momentum.

A.P. Heskin stated that there was minimal contact after the last and the configuration of the track contributed to the interference in his opinion. Having viewed the recording of the race and considered the evidence, the Raceday Stewards were of the opinion that while Gaillimh A Run had caused interference to Pampar Lady, he did not improve his finishing position as a result of this interference, so they made no alteration to the Judge's placings and took no further action.
